Resources for Providers and Families 2020

Resources are categorized by topic COVID-19 and Technology resources are at the beginning of the document followed by other resources alphabetized by topic.

Use the quick keyword search (below) to find a resource. Resources specific to a county, city or region have the city, county or region name listed with them. Resources designated as particularly helpful by the DODD EI team have a ★ next to them.

QUICK KEYWORD SEARCH: To search this document for a specific topic, agency or area of concern, use the following search tool:

1. Press <CTRL-F> on your keyboard (hold down CTRL key while pressing the letter F at the same time)
2. Type your keyword (s) in the search box
3. Press Enter
4. Your cursor will move to the first place in the document containing your keyword and highlight the keyword

UPDATES 4/20/2020

COVID-19

[Center on the Developing Child](#)

Harvard University's Center on the Developing Child has developed a guide that pulls together information on COVID-19, including what it means for child development and shareable resources that can help parents, caregivers, child care providers, pediatricians, and others who work with families.

[Fifth Third Bank Student Loan Relief](#)

With the recent passage of the Coronavirus Aid, Relief, and Economic Security (CARES) Act and other government relief efforts, your student loan may qualify for COVID-19 hardship assistance. Contact Fifth Third to see if your loan qualifies for assistance.

[Oriana House](#)

Oriana House provides treatment for substance addiction and mental health. They are offering tele-health services currently, and Medicaid is accepted. They serve the areas of Akron, Cleveland, Fremont, Marietta, and Tiffin.

[Sesame Street Autism Resources](#)

Sesame Street has recently added guidance to help children with autism in coping with COVID-19.

[State of Ohio Pharmacy Emergency Refills](#)

The State of Ohio Board of Pharmacy has adopted guidance for extending the authority of pharmacists to issue refills during the COVID-19 crisis.

TECHNOLOGY FOR PROVIDERS AND FAMILIES

[Early Intervention Strategies for Success](#)

Virginia's Early Intervention blog includes a recent post, "10 Strategies for Engaging Parents (not Children) during Tele-Intervention."

[FIPP Tele Resources](#)

The Family, Infant and Preschool Program recently posted five infographics about getting started with tele-EI, quick tips, tele-coaching, and how to use natural learning environment practices via tele-intervention.

[GrandPad](#)

GrandPad is a simple & secure tablet for seniors. GrandPad senior tablet easily connects loved-ones ages 75+ with family & friends.

[Innovate Ohio Hotspot Locations](#)

Ohio has been working to find public hotspot locations that Ohioans can use in areas where they may not otherwise have access to the Internet. This includes such locations as public libraries, communication companies and university parking lot areas.

[Nationwide Children's Family ECHO series](#)

Family ECHO uses Zoom technology to connect families with a team of interdisciplinary experts for presentation and discussion on topics related to improving and managing behaviors, self-care, family supports and resources.

CHILD CARE

[Statewide 24/7 Breastfeeding Hotline](#)

1-888-588-3423 The Ohio Department of Health has a 24/7 Statewide Breastfeeding Hotline. The Appalachian Breastfeeding Network (ABN) operates the toll-free 24/7 hotline with live, trained lactation professionals. Services are available free of charge to all callers, including mothers, their families and partners, expectant parents and health care providers.

DAILY NECESSITIES

[Meals for Kids](#)

The U.S. Department of Agriculture has released a "[Meals for Kids](#)" [interactive map](#) to help families locate free meals for their children while schools are closed during the COVID-19 pandemic. The resource is available in both English and Spanish.

[safebaby.org](#)

Provides information and resources on such topics as Shaken Baby Syndrome, secondhand smoke, and SIDS Offers a 24/7 crying baby helpline

DAILY NECESSITIES (FOOD, SHELTER, UTILITIES, TRANSPORTATION, ETC)

When families have resource-based needs:

- Figure out the urgency? Medicine? Food? Shelter clothing? Diapers?
- What/who have they already tried? Informal supports?
- Identify ONLY possibilities (in other words you know these agencies have resources/know criteria of who they will help and what the family will need to access help)
- When needed, assist the family with identifying which resources they can/willing to try
- Offer to help call/gather verifications-develop a joint plan
- Check on the family quickly to make sure the family was/couldn't access the resource

When families run low on food/diapers/formula/medications, consider the following sources of support:

- Informal Supports (use the Ecomap)
- Local Government Agencies (health depts/JFS/)
- Local faith-based agencies
- Local community agencies (community action centers)
- Local Utility company
- Local food pantries
- Local hospitals and pharmacies
- State Agencies

[211](#)

A referral and resource line, this service directs people to appropriate resources for a variety of concerns. It is also available via text message.

[Cap4KIDS, Columbus](#)

This directory includes resources addressing a variety of family needs including housing, healthcare, childcare, safety, food, utilities and transportation.

[Children's Hunger Alliance](#)

Children's Hunger Alliance remains committed to helping feed children who are losing access to meals as a result of the coronavirus crisis. Ready-to-eat meals will be distributed outside 3 Columbus Metropolitan Library branches during the library closures related to the coronavirus pandemic. Any child 18 and under will be able to pick up two meals to take home. Meals are also being distributed at schools in Cincinnati, Cleveland, Chillicothe and Groveport.

[City Link \(Cincinnati\)](#)

Described as a coordinated place for individuals to find "an integrated, holistic path to break free from poverty and get to a place of self-sustainability and hope." Services include adult education and literacy, job readiness, spiritual development, transportation and financial education.

[Coalition on Homelessness and Housing in Ohio](#)
