

## Gestalt Language Processing: A Neuro-Affirming Approach

OSSPEAC 2025

Lauren Schofield MS., CCC-SLP, CBIS

Definitions:

Echolalia	
Immediate Echolalia	
Delayed Echolalia	
Gestalt Language Processing	

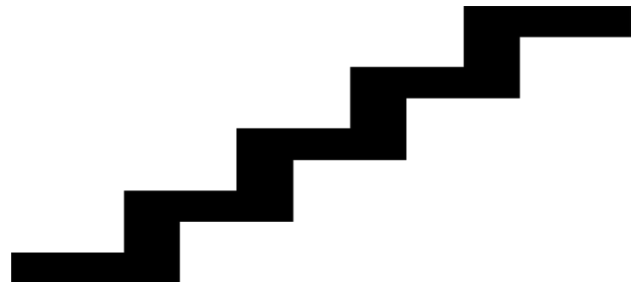

Do you think you have a Gestalt Language Processor on your caseload? Why?

Analytic Language Processing vs Gestalt Language Processing

- List characteristics for each way to develop language

Analytic Language Processing	Gestalt Language Processing

Fill in the Language Staircase:

Gestalt Language Processing using NLA Framework:

- For each stage, describe what occurs and provide an example for your future reference.

Stage 1	
Stage 2	

Stage 3	
Stage 4	
Stage 5	
Stage 6	

Sample goals for your students:

- 1.
- 2.
- 3.

Reflection:

1. How will this presentation impact your daily practice?
2. What resources discussed today will you investigate?
3. What is 2 things you learned from this presentation?
4. Did your answer to the first question on this handout change? Do you think you have a Gestalt Language Processor on your caseload?
