## Does Delta Airlines Offer Travel Credit for Cancellations?

## When You'll Receive a Delta Travel Credit

You'll typically receive an eCredit in these situations:

- ✓ You cancel a **non-refundable** ticket before departure.
- ✓ Delta cancels or significantly changes your flight, and you choose not to travel.
- ✓ You voluntarily change your flight and your new fare is cheaper than the original.
- ✓ You cancel a trip booked with miles but paid partially in cash — Delta refunds the cash portion as an eCredit.

If your flight is canceled by Delta, you can request a **full refund** instead of an eCredit. To check which applies, contact [[📞 +1 (877) 394-5034]].
