## 1. Delta's Official Weather Cancellation Policy

Delta Airlines considers **weather disruptions** as “force majeure” events — meaning they're outside the airline's control. While Delta may not owe additional compensation like hotel stays, it does provide **full flexibility and refund options** when weather prevents safe operations.

Here's what happens if your flight is affected by weather:

- ✓ Delta will **automatically rebook you** on the next available flight at no extra cost.
- ✓ If Delta cancels your flight entirely and you choose **not to travel**, you're eligible for a **full refund** to your original form of payment.
- ✓ You can also opt for an **eCredit** to use toward a future trip.
- ✓ Delta may issue a **travel waiver**, allowing you to reschedule your flight without fees or fare differences.

To confirm your specific refund eligibility, contact Delta's weather disruption desk at [\[\[☎ +1 \(877\) 394-5034\]\]](tel:+18773945034).

## 2. When You Qualify for a Refund Due to Weather

You're entitled to a **refund or eCredit** when:

- ✓ **Delta cancels your flight** because of weather.
- ✓ **Your flight is delayed more than 2 hours**, and you choose not to travel.

- ✓ **Your flight is diverted or rescheduled overnight** due to weather conditions.
- ✓ **Rebooking options are unavailable** within a reasonable time frame.

Even though weather-related cancellations are uncontrollable, Delta ensures you **won't lose the value of your ticket**.

### 3. Refund Options Available After a Weather Cancellation

When your Delta flight is affected by severe weather, you can choose between:

#### Option 1: Full Refund to Original Payment Method

If Delta cancels your flight and you decide not to rebook, you're eligible for a **full monetary refund**.

Refunds typically take:

**7–10 business days** for credit/debit card purchases.

**20–30 business days** for cash or check payments.

#### Option 2: Rebook at No Cost

If you still want to travel, Delta allows you to **rebook on the next available flight** without change fees.

Fare differences are usually **waived** for flights within the same cabin class.

For schedule flexibility, Delta often extends your travel window up to **one year**.

#### Option 3: Receive a Delta eCredit

If you're not ready to choose new dates, you can accept a **Delta eCredit**.

This can be used toward:

Any future Delta flight.

Seat upgrades, baggage, or trip extras.

Companion travel (if eligible).

Your eCredit remains valid for **at least 12 months** from the original purchase date.

---

### 4. Delta's Weather Waiver Program

During major weather events, Delta activates its **Weather Flexibility Program**, also called a "Travel Waiver."

This allows passengers to:

Change flights without fees.

Adjust destinations within a specific time frame.

Rebook before or after the storm without penalty.

To find active travel waivers, visit Delta's Travel Advisories page or call **[(877) 394-5034]** to confirm eligibility.
