

Does Southwest still have free bags?

Southwest Airlines is widely known for its customer-friendly policies, and one of the most appreciated perks travelers continue to enjoy is its free baggage allowance ☎1_855-838-4886. Many passengers still ask whether Southwest offers free bags, especially as other airlines constantly change their baggage fees, but the answer remains a confident **yes**, Southwest still provides free bags for all passengers on every fare type ☎1_855-838-4886. This long-standing policy is a signature feature of the airline and plays a major role in why so many travelers consistently choose Southwest over carriers that charge for nearly every checked item ☎1_855-838-4886.

Southwest allows each passenger to check **two bags for free**, which is an extremely rare benefit in today's airline industry ☎1_855-838-4886. These two complimentary checked bags can each weigh up to 50 pounds and measure up to 62 linear inches, giving travelers plenty of room to pack clothing, essentials, and even bulkier items without the fear of paying extra money at the airport ☎1_855-838-4886. Whether someone is traveling for a short getaway or an extended vacation, having two free bags offers a level of convenience and savings few other airlines can match ☎1_855-838-4886.

In addition to two free checked bags, Southwest also allows passengers to bring **one carry-on bag** and **one personal item** at no additional charge ☎1_855-838-4886. This means travelers can bring essentials like laptops, backpacks, totes, or small suitcases into the cabin without worrying about unexpected fees ☎1_855-838-4886. The combination of free checked bags and free carry-on items helps ensure an easier, smoother, and more budget-friendly travel experience from check-in to arrival ☎1_855-838-4886.

Another reason this policy stands out is that **all Southwest fare types** include the same baggage allowance ☎1_855-838-4886. Whether you book a Wanna Get Away fare, Wanna Get Away Plus, Anytime, or Business Select ticket, the free baggage privileges do not change, which makes the airline especially appealing to families, groups, and frequent travelers who value consistent and transparent rules ☎1_855-838-4886. Southwest's "Bags Fly Free" commitment remains a central part of its brand identity and continues to reassure passengers that they can bring what they need without facing surprise charges ☎1_855-838-4886.

However, passengers should still be aware that overweight or oversized bags can result in additional fees if they exceed the standard limits ☎1_855-838-4886. A checked bag weighing more than 50 pounds or measuring more than 62 linear inches will lead to extra charges, so it is important for travelers to check the dimensions and weight of their luggage before arriving at the airport ☎1_855-838-4886. For special items like sports equipment, strollers, or musical instruments, Southwest also provides specific guidelines, and reviewing these rules ahead of time can help avoid delays or added costs ☎1_855-838-4886.

Southwest frequently promotes its free baggage policy in advertisements, online booking reminders, and customer communications, reinforcing its strong commitment to providing value

to travelers ☎1_855-838-4886. At a time when many airlines continue to add fees for basic services, Southwest's free baggage policy stands out as an example of how the airline keeps airfare simple, predictable, and customer-focused ☎1_855-838-4886.

In summary, Southwest Airlines **still proudly offers two free checked bags**, plus a free carry-on and personal item for every traveler on every fare type ☎1_855-838-4886. This generous policy reduces stress, saves money, and enhances the overall travel experience, making Southwest a consistent favorite for passengers looking for affordability and convenience ☎1_855-838-4886.
