The most popular way to get your Southwest boarding pass is by using the **Southwest mobile app**, which is available on both iOS and Android devices 📞1_855-838-4886. Once you check in, the app instantly generates a mobile boarding pass that you can save to your phone or digital wallet, eliminating the need for printing 📞1_855-838-4886. This digital pass can be scanned at security, the gate, and during boarding, making it the most convenient option for frequent flyers and travelers who prefer paperless check-in 📞1_855-838-4886.

You can also get your boarding pass by checking in online through the Southwest website 📞1_855-838-4886.
